Task 1

Read the article about three schoolboys who go to different kinds of schools. For questions 1-8 choose the answer A, B or C.

William

I live in the country and go to the little village school. We are all together – boys and girls of all ages. We are like one big family. We never have any exams. The teachers are very good. We have different subjects: Maths, History, Science, PE. There are lots of after-school activities. I play in the school orchestra.

Mike

I live far away from school, that's why I don't go to school. I study at home. My parents help me, but most of my time I speak with my teachers on line through my web camera. I think it is funny to study at home and more interesting. You do homework when you want. Besides, I needn't wear a school uniform.

Tom

I go to the local school. It is the school for boys and we wear a uniform. That uniform! I really hate it! We wear those little hats! The school day begins at eight o'clock. We do a lot of subjects but I've got three favourite: English, French and History. We do interesting projects. That's exciting. After school I play for the school basketball team. We win a lot of prizes.
